TEAM QUALIFICATION – Hunt teams

Each team of four must hunt regularly with the Hunt they represent. Two members must be a member / subscriber of that Hunt / Riding Club.

TEAM QUALIFICATION – Pony Club teams

Each team of four must be active members of their Pony Club branch, regularly attending Pony Club rallies/functions.

RULES

1. Teams will compete in drawn order, two teams at a time and jump separate identical courses.
2. The team members must hand a hunting whip on to the next member of the team. If the whip is dropped, the competitor who is handing it over must dismount, pick up the whip and may, from the ground, give it to the next competitor. The lash may be taped up but should be no longer than the solid length of the whip.
3. If a team member fails to complete the course either through retirement or a horse having three refusals, the following member must complete the round from the point of retirement and then continue to jump their own round. This may not happen until the previous member has had three refusals on the course.
4. Time penalties of five seconds will be added for each fence down.
5. Refusals and errors of course will increase the time taken to complete the course.
6. Teams must consist of four riders and four horses.
7. In the event of a serious accident to either horse or rider the opposing team member will complete their round and the clock then stopped for both teams. The next competitors will not be allowed to start the course until the injured rider/horse has left the arena. The competition will be re-started with the next rider of the team involved in the incident starting at the fence where the incident happened and the opposing team from the start line.
8. The Master, Chairman or Hunt Secretary must sign the entry form to authorise a team can compete.
9. Hunts can enter more than one team.
10. Incivility to any Wellington Official will not be tolerated and may result in team disqualification.
11. THE ORGANISERS' AND JUDGES' DECISION IS FINAL.
